

GRE - Bug #1772

AWA scores and feedback did not appear on the student's page even though the grading tool shows that the attempts have been graded

Description			
Student Name: Daaris Ameen Drupal Id: 750358 (Old Platform)			
We have re-graded this attempt manually now, but since there are already some other issues with AWA grading (the attempts not appearing on the sheet, the tool not working since morning), this will not be feasible in the long run.

Please find the Author comments:

We had graded Daaris Ameen (750358)'s AWA attempts on December 24th. However, his scores did not appear on his page. So, we had to grade his attempt manually again yesterday.
