Description			
Editor Name - Sayak (editor3.galvanize@gmail.com)			
Student Name: Ravi Shankar			
Email: raviguggionlineneeds@gmail.com			
<p>In Sayak's Editorial To Do List, the University of Idaho - University specific SoP and Personal Statement, keeps showing/blinking. Sayak said he worked on it during early May and then pushed the document back to the student. The deadline for the University is also gone (May 15).</p> <p>Now the document link for this University is nowhere available on the student's page on the portal, but this keeps showing up on the Editorial To Do List alone. I think this is some display error.</p> <p>Student's university list was reset by counselor and this university was not in the final 6.</p>
