Description

The following slide sets are not properly loaded in SIM .
s3://dmango-entrayn/Modifier Placement-5b06c3f81a940.pdf

SIM url:https://app.entrayn.com/learning/sim/aa5d186b-0596-4106-9f2b-f0a0c9906da3

as u can see the SIM has only one slide whereas the corresponding S3 server url has 8 slides .This issue was fixed in the first week of March by Poojesh when we ran the Live SIM import sheet and it was good since then .

Again today a student has raised this issue :
