Description			
Last week, we created two new IELTS courses on Moodle: (i) Galvanize IELTS New Diagnostic Test [https://ielts.entrayn.com/course/view.php?id=38] and (ii) Galvanize IELTS New Mock Tests [https://ielts.entrayn.com/course/view.php?id=35]. So, all IELTS users would need access to these two products. (We are planning to include these two courses in the IELTS study plan)
