The screenshot shows a web browser window with the URL `entrain.com/galvanize/node/1546/glu/26007/assessment/result`. The page title is "Galvanize Test Prep" and the user is logged in as "Preetika". The main content area shows the results for "GRE Mock Test 1". The total scaled score is 288/340. The Verbal score is 137 (out of 170) and the Quant score is 151 (out of 170). The Analytical Writing score is 3 (out of 6). The page also includes a "Review Each Question" button and a "Re-Attempt" button. The browser's developer tools are open on the right side of the screen, showing a network log with a single request.
