Description			
Student's (Hemanth Varma - 710955) MT4 and MT5 AWA attempts did not appear on the sheet or the grading tool. We are able to view his attempts when we switch user.			
An earlier bug was raised wrt to the same student (Bug#2257). His MT3 attempts did not appear on the sheet or tool. After it was resolved, another bug was raised (Bug#2262). This was because his MT3 scores were not reflected on his page. This was also resolved.
