Description Changes in TOEFL templated docs need to be reflected on the platform. For that, we need to be walked through the complete process of extracting questions from the templated docs, so that we can modify the content on the platform. Since the walkthrough is pending, we have to keep responding to students' queries like these: https://app.entrayn.com/summary/20044b8e-0ed3-4eda-b6ee-77f28c71b225/screen/14 . We had removed this question from the templated doc much earlier since there are extra questions in this assessment. Please refer to #2232
