Description <p>Yesterday, thampisharanya@gmail.com had booked an IELTS MT1 Speaking session. I had added Google Conferencing, the examiner's ID (sowmya.bai@entravn.com) and updated the event. Event notifications were sent to the student. I also sent a mail giving her the details of the session. The student did not turn up. Today, I received a mail from the Mail Delivery Subsystem saying the delivery was incomplete. Please check.</p> <p>I am attaching the screenshot of Google Calendar and the mail I received from the Mail Delivery Subsystem.</p>
