Description

Recently some graphs go missing and images not shown on the moodle page .
We have had this issue in the past where we were told that it might be due to the space issue and we had to re upload the graph.

But looks like on and off we get this issue and quite frequently in the recent past .

We have reuploaded the images .

But here is the link for the recentmost image and qn for which we reuploaded the graph

<https://ielts.entrayn.com/mod/quiz/attempt.php?attempt=24115&page=3&cmid=515>

Its the bar chart in the passage.
