

IELTS - Feature #2745

Restrict the days and time on the scheduler

07/10/2023 07:55 AM - sowmya subramaniam

Status:	New	Start date:	07/10/2023
Priority:	Normal	Due date:	
Assignee:	sriram venkataraman	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
<b>Description</b> Currently the scheduler allows the IELTS students to schedule the speaking test on any day and at any time . We have sent a detailed instruction through the course managers and also added an instruction slide before the scheduling task in the study plan that the test should be scheduled only Mon-Fri 4to 6Pm . It would be helpful if the student is restricted from scheduling the test on the calendar itself .
