Target version:		Spent time:	0.00 hour
factor:			
Description IELTS event scheduler -when a student schedules the speaking test , all instructors get the notification on calendar .But when they click on it , they dont see an option to add meet link .This is a normal calendar invite which should ideally let them get a meet link automatically .Otherwise it becomes as good as scheduling it manually .Please check			

History

#1 - 07/29/2023 09:27 AM - selva QA

- Assignee changed from selva QA to ABHISHEK KUMAR

#2 - 10/27/2023 10:04 AM - ABHISHEK KUMAR

- Status changed from New to Closed
