| Description | | | |
| <p>A TOEFL student, Anjali Singh, (drupal ID 902278) has complained that she has the Review task for a particular assessment but not the assessment itself.</p> <p>This is the link to that Review task: https://app.entrayn.com/learning/sim/c94ca81e-5ab3-4c40-8c8d-c8402c4899de</p> <p>This is the corresponding assessment's name: Take the TOEFL Integrated Speaking Task - Responding to a Conversation</p> <p>This assessment title is present on her study plan, but the link leads to the previous speaking assessment.</p> <p>We only have access to a summary page of the correct assessment on the Technical PSP sheet. Link: https://app.entrayn.com/summary/0c60744e-702d-4924-aaba-447401b45197.</p> <p>Please look into why the student's study plan task URL is leading to the wrong assessment. Do also share the correct assessment link so we can share it with the student via the CMs.</p> | | | |
