Description			
A student, Shriya Sama (Drupal ID: 895511), took her TOEFL DT yesterday (8th April). I was able to grade the writing response today, but the speaking response is not loading. The page loads, but the response itself does not load. Link to the attempt: https://app.entrayn.com/summary/a0831d30-fcb3-4800-9bcc-a8f3f6c4f756/screen/25
