Description

[6/14, 3:22 PM] Jugal Pandya45: Ma'am actually yesterday, I got a feedback for my 1st GRE mocktest and it was quite unexpected. Actually I performed poorly on verbal section (139/170) and good on quant seciton (161/170). But in the feedback, overall it was written that I've performed pretty well in verbal section, only a bit more effort is needed whereas in the quant section it was written that I've performed below par in all topics. So after this feedback I am confused.
[6/14, 4:52 PM] Triveni: Will check
