

AC (Web) - Bug #3051

Issue with Displaying Case Study HTML Code in WordPress

11/07/2024 08:01 AM - Sindhuja QA

Status:	Resolved	Start date:	11/07/2024
Priority:	Urgent	Due date:	
Assignee:	arjun das	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
factor:	Unclear / Missing / Incorrect product Requirements		
Description			
When we copy the code generated from the generate Casestudy HTML sheet and add in Raw html for the case study in WordPress the web page becomes blank . Hence we are unable to use the generate html option for case study			

History

#1 - 11/07/2024 08:03 AM - Sindhuja QA

- Priority changed from Normal to Urgent
