<b>Description</b>			
<p>Quiz submission events get captured in this sheet (<a href="https://docs.google.com/spreadsheets/d/1fSzGTaynZntO5GWasSTnx2k-e90ztMzutA1qgtDI5G8/edit">https://docs.google.com/spreadsheets/d/1fSzGTaynZntO5GWasSTnx2k-e90ztMzutA1qgtDI5G8/edit</a>) through a script. But since February 2nd, it has stopped working, and no quiz submissions get recorded. This sheet helps us keep track of IELTS Speaking and Writing attempts that need to be graded.</p> <p>Shanmugha said that the Moodle token was changed on Feb 2nd, but this issue persists even after I updated the token. We need a fix ASAP. Fajar and Shanmugha will have an idea about this.</p>			

#### History

##### #1 - 02/16/2021 04:10 AM - selva QA

- Status changed from New to In Progress
